

Allergy Information

The following list contains information on the major allergens contained in the dishes available on our menu. All our pasta dishes can be cooked with gluten free pasta however please note that the meatballs in the dish 'Penne Polpette' contain gluten and the Italian sausage in the dishes 'Rigatoni Toscana' and 'Salsiccia Pesto Al Forno' may contain traces of gluten.

If you have a severe allergy please let a member of staff know. Our chefs & suppliers handle numerous ingredients and allergens. Whilst we have strict controls in place to reduce the risk of contamination, unfortunately it is not possible for us to guarantee that our dishes will be 100% allergen or contamination free.

Also please note that the cheese offered at your table contains milk and egg and will alter the suitability of your dish. If you are unsure of anything, please speak to a member of staff.

If you have downloaded this document from our website please be aware that we may make changes and update this information from time-to-time so please ensure you have downloaded the latest version before ordering. If in doubt just ask a member of staff who will be happy to advise you.
